NAMES FOR BIG GUNS.

Two Significant One That Were Selected and Rejected.

At the Navy Pier foundry, Fort Pierce, were cast in 1861 for the monitors Puritan two 140-ton guns, which Captain W. C. Wilson, then in command of the naval force of enforcement proposed to call Satan and Lucifer. This proposition called forth a protest from the pastor of a Presbyterian church at Tiburon, who communicated it to his superior. If not impeded, the latter was informed by the member of congress to whom it was addressed to the department and finally came into the hands of Captain Wilson for reply. In answer he called attention to the long custom of giving to vessels at names by United States Navy Venus, Cupid, Inferno and Lucifer and said to convey an idea of a power of the destructive agent used in battle. These gods, argued the learned captain, were not intended for peace and the utterance of good toward men, but to inflict us much mischief and destruction on human beings in time of war as their namesake the devil, tries to do at all times. He further reminded his eloquent critic that a number of citizens had witnessed without protest his act of "christening" in presence of a large assembly of ladies and gentlemen the first twenty such gun cast for the navy as Beelzebub. However, the argument did not prevail, for religious sentiment was effective in preventing this use of Biblical nomenclature.—Army and Navy Journal.

Children's

Favorite tonic is White's Cream Vermifuge, the cure for worms and all children's diseases. It not only kills the worms, but removes the mucus and slime in which they build their nests. Its action on the child is mild and leaving him in a healthy condition. Joe Daniel, Sumner, Tenn., says that he gave one of his children White's Cream Vermifuge when the doctor thought it had colic, and from the first dose the child passed 36 worms. Sagacity of the Ancients.

Many quotations come from the works of Thales, the Greek philosopher and one of the seven wise men. It was he who said, "Know thyself." "Few words are a sign of prudent judgment." "Search after wisdom and choose what is most worthy." "There is nothing more beautiful than the world." "Time is the wisest thing, for it invents and discourses all things." He also said that it was the hardest thing in the world to know oneself and the easiest to admonish another. In his youth Thales was urged to marry, but he said, "It is too soon" and later in life upon being urged again he said, "It is too late."

Early to Bed.

And early to rise, makes one healthy, happy and wise—especially if you take Herbs before retiring. A positive cure for constipation, dyspepsia and all liver complaints. Mrs. S. A. Columbia, Tenn., writes: "I always keep a supply of your Herbs on hand. Am so pleased with the result it gives in constipation and all liver complaints. That words can't express my appreciation." Sold by St. Lucie Drug Co.

He Didn't Change a Bit.

The Smiths had invited the minister to dinner. As the last course was reached Miss Willie, who had been closely watching the guest almost continually through the meal, looked over at him once more and said:

"You haven't changed a bit since you started eating, have you, Mr. Charles?"

"Why, no," laughed the minister.

"Why do you ask that question?"

"Because," blurted Willie, confused by the pair of eyes focused on him, "because I heard you tell me you'd make a big hog of yourself as soon as you got your eye on the corned beef and cabbage."—Bohemian Magazine.

He Fired the Stick.

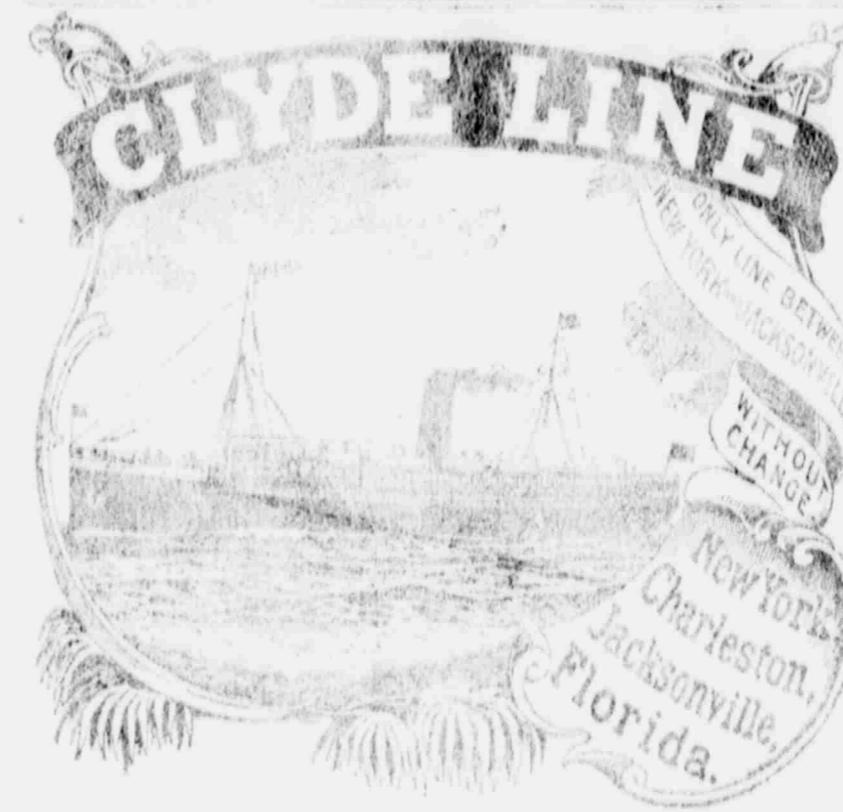

"I have fired the walking stick I have carried over 40 years, on account of a sore that resisted every kind of treatment, until I tried Buelgen's Arnic Salve. That has healed the sore and made me a happy man," writes John Garrett, of North Mills, N. C. Guaranteed for piles, burns, etc., by the Fort Pierce Drug Co. 25c.

Family Reparce.

"Well," snapped Mrs. Henbeck, "I certainly was a fool when I married you."

"True, my dear," responded Henbeck, "and I regret to state you haven't improved any."—Detroit Free Press.

On all orders accompanied by Cash, Check or Money Order, we will allow a discount of 5 per cent, from our regular price on all material.

As bills would be paid in thirty days anyway, this is equivalent to 60 per cent, a year.

This discount will positively not be allowed on any orders not accompanied by cash, or which have to be charged.

We guarantee all material, and stand ready to correct any errors that we make.

All orders from reliable customers will be filled as heretofore, but if you wish to participate in our CASH DISCOUNT PLAN, get our price list or our estimate, and resubmit order.
